Congratulations!

You have made an excellent choice with the purchase of the quality AUTO-XS® product.

By doing so you now have the assurance and peace of mind which comes from purchasing a product that has been manufactured to the highest standards of performance and safety, supported by the high quality standards of ALDI.

We want you to be completely satisfied with your purchase so this AUTO-XS® product is backed by a comprehensive manufacturer's 2 year warranty and an outstanding after sales service through our dedicated Helpline.

We hope you will enjoy using your purchase for many years to come.

If you require technical support or in the unlikely event that your purchase is faulty please telephone our Helpline for immediate assistance. Faulty product claims made within the 2 year warranty period will be repaired or replaced free of charge provided that you have satisfactory proof of purchase (keep your receipt safe!). This does not affect your statutory rights. However, be aware that the warranty will become null and void if the product is found to have been deliberately damaged, misused or disassembled.

General Information and Safety Instructions

3

PLEASE READ AND SAVE ALL INSTRUCTIONS TO ENSURE THE SAFE AND EFFECTIVE USE OF THE HEATED STAINLESS STEEL MUG.

- Read, understand and follow all the instructions before operating this device. Failure to heed all warnings could result in personal injury.
- **DO NOT** pull the plug by the cord.
- **DO NOT** put the mug in the microwave or heat it up on the stove.
- **DO NOT** plug in the mug if it is empty.
- **DO NOT** leave the mug plugged into the car charger if your vehicle is turned off. It could drain the vehicle's battery.
- **DO NOT** use to keep food and/or soup warm. It is meant for liquids only.
- Make sure the plastic lid is firmly secured while you have hot liquid in the mug.
- Make sure to keep the lid on when sipping the hot liquid.
- **CAUTION:** Keep this mug away from children as the liquid can get very hot.
- **DO NOT** immerse the Mug in water or any other liquid.
- **DO NOT** put the Mug in a dishwasher or use a bleaching agent to clean.
- Read and understand all instructions. Failure to follow all instructions listed below may result in serious personal injury and/or property damage. The warnings, cautions, and instructions discussed in this instruction manual cannot cover all possible conditions and situations that may occur. It must be understood by the operator that common sense and caution are a factor which cannot be built into this product, but must be supplied by the consumer.

SAFETY WARNING

Although your Mug is easy to operate, for your safety, the warnings below must be followed:

1. Keep children away from the Mug as it can get hot and the liquid inside is also hot.
2. Make sure the lid is securely in place when sipping the hot liquid.
3. **DO NOT** leave the Mug plugged in if you leave your vehicle as it could drain the battery.
4. **DO NOT** put the mug in the microwave or heat it up on the stove.

SAVE THESE INSTRUCTIONS!

Main Parts

Contents of Packaging

- Mug with spill proof lid
- Power cord with car charger adapter
- Instruction Manual

If any of the above items are missing, please contact our customer service department at 1-888-367-7373 or email us at customer-service@wk-usa.com for replacements. Our business hours are Mon-Fri 10:00 AM - 5:00 PM EST.

Assembly

- Remove the parts from the box. Hand wash the Mug and lid and dry thoroughly before first use.
- DO NOT immerse the Mug in water or any other liquid.
- DO NOT put the Mug in the dishwasher.
- DO NOT use a bleaching agent to wash the Mug.

How to Operate

- Add your warm or hot liquid to the mug and firmly secure the spill proof lid to the mug. Do not use this Mug to heat up cold liquids.
- When in your vehicle place the power cord end into the handle of the Mug, being careful not to tip the Mug.

- Place the mug in your vehicle's cup holder. The Mug should fit in most car and truck cup holders.
- DO NOT place on a seat or on the floor as it could roll, tip over and/or spill.
- Plug the car adapter end into the vehicle's 12V outlet. The Mug will begin to heat up.
- Always use extreme caution when sipping hot drinks while driving.
- Close the spill proof lid between sips to maintain the heat and to prevent any spilling of the contents.

REPLACING THE FUSE

- The 12V DC socket supplied with this Mug uses a 4A/250V fuse.
- Unscrew the fuse cap located on the front of the car plug.

- Carefully remove the fuse and make sure you do not lose the spring that is included with the plug.
- Replace the fuse with a new one.

Please note: this item has a built in thermostat that allows the liquid to reach approximately 155-160° F. The heating element will turn off and will restart when the liquid reaches approximately 145-150° F.

Maintenance

STORING

Store the Mug in a dry location. Do not place any heavy items on top of the Mug during storage as this may result in possible damage.

Service Center

If you have any questions in regards to the operation of this Mug please contact our service center at:
Wachsmuth & Krogmann, Inc.

Tel: 1-888-367-7373 Email: customer-service@wk-usa.com
